Andre Cole's The Unholy Servants is a sexy blend of mystery, mythology, corporate intrigue and fantasy. The novel builds chapter after chapter with gripping cliffhangers until its final mind blowing finale. Scilymax Corporation is a multi-billion dollar conglomerate with holdings in manufacturing, television, scientific research and for-hire military services. They also hold a catatonic man in a fluid filled tube. Doctors Lisa Lucas and Marjorie Houston have the monotonous job of babysitting the man in the tube. When the man awakes, they find there is more to him than Scilymax cares to admit. They begin to unravel the mystery of the man in the tube with the help of their friend and theologian Michelle Bonds. When their captive escapes, the trio are thrust into a worldwide manhunt and soon they realize they have unwittingly gone from being hunters to prey.
